

HENDRICK MANUFACTURING PRESS RELEASE July 28, 2009

Hendrick Metal Products, LLC, Elgin IL, a leading Perforator and Precision Sheet Metal Fabricator has acquired certain rights and assets of Johnston & Chapman, Inc of Chicago, IL. Johnston & Chapman specializes in perforating and fabricating heavy gage metals. Johnston & Chapman's operations will be absorbed into Hendrick Metal's existing facility. Hendrick Metal Products, LLC is an affiliate of Hendrick Manufacturing Company, Collierville, TN. This purchase will provide Hendrick Metal with a wider range of manufacturing capabilities to serve their Midwest customers. For information, contact Bruce Caldwell, General Manager at 847.742.7002. www.hendrickmetalproducts.com
