

July 20,2009 Hendrick Manufacturing Company continues its commitment to exceeding customer expectations by announcing it has been granted ISO 9001:2008 Certification. This certification means that Hendrick meets and/or exceeds all the ISO criteria outlined in the latest revision.

Hendrick Manufacturing is North America's leading perforator and fabricator of cost-effective, high-quality perforated metal products.

ISO 9001 is a family of standards for quality management systems, ISO 9001 is maintained by ISO, the International Organization for Standardization and is administered by accreditation and certification bodies.
